# LAKE VIEW | APÉRO | CULTURE

# ORIGIN | PLEASURE | SEA BREEZE

... under this motto we warmly welcome you to the Seebar. Whether at the bar counter with the striking textile cover from Jakob Schläpfer, St. Gallen or at one of our loungy tables, enjoy our gastrobar and the offer that has been carefully selected for you.

You will find many great products from Swiss producers. Go on a journey of discovery about what Switzerland has to offer in terms of gin, vodka, rum, and whiskey.

Discover the large selection of aperitifs, spritzes and cocktails, especially non-alcoholic alternatives. Perhaps you fancy an alcohol-free Negroni?

Accompanied by bar snack favorites such as beef tartare or club sandwich? Or else our popular vintage sardines straight from the can with rolls from «Kreuzbäckerei» Stans and pickled vegetables?

Have a good time,

Paolo Boldini and the entire Seebar team
